

Trevean Caravan & Camping Park

Welcome to Trevean. We are a small and friendly family run park on a working organic farm. We are ideally situated 1 mile from St. Merryn and its golden bays. Further afield you will find a vast range of attractions to suit all interests and weathers; from the picturesque fishing port of Padstow with its choice of shops and eating establishments to the nearby Eden Project, Oasis Fun Pools and Cornwall's Crealy. We pride ourselves on being environmentally friendly with many facilities being solar powered. On site is a heated shower block with free hot showers, toilets, a family room with disabled facilities and a laundry room. We have a small shop selling essential items, newspapers, fresh bread and Calor Gas. We also have a childrens play area and 5 acre recreation field. There is WiFi throughout the site for an additional fee.

We offer three static caravans for hire, all accommodating up to six guests. Each van is double glazed and heated, with a double room, twin room and double sofa bed, shower and toilet, fully equipped kitchen and lounge with digital TV. The vans have unique characters allowing you to pick the perfect place to enjoy your stay. During peak times they are hired weekly each Saturday and are available for short breaks off peak. Whilst staying in the vans you will have full access to the rest of our fantastic family friendly facilities. We hope you can appreciate that in order to cater for guests allergies these vans are pet free.

Our range of level grassy pitches offer something for everyone and we welcome everything from tents to tourers and motorhomes with the advantage of good road access. We have 20 pitches with electric hook up points. 12 Deluxe pitches are centrally located in the first field, benefitting from close proximity to the main facilities. A further 8 Standard pitches are in the top field alongside the play area, these are backed by a substantial hedge providing extra shelter.

We also have 13 Basic pitches ideally located for using the play area and recreation field. Exact details of pitch types are on our price list. The remaining pitches are let on a seasonal basis, these are very popular so we do have a waiting list.

We are situated on the North Cornwall coast, just off the B3276 coast road, approximately 4 miles from Padstow and 10 miles from Newquay.

From the A39 Winnards Perch roundabout take the B3274 towards Padstow. Take the 2nd left turn, signposted for St. Merryn. Go straight over the crossroads. Turn Left at the red post box towards Treyarnon and Porthcothan Bay. Go past the left turn for Penrose. We are next on the left.

Please report to reception on arrival.
